

Henry:

I trust you had a good trip back north. Once again, on behalf of the firm, I want to thank-you for your excellent presentation. I can tell you that everyone in the office was extremely pleased with the talk and found it most enjoyable. I have also already passed on one of your cards to an attorney who expects to mention your presentation to some larger Boston law firms.

Personally, it resonated deeply with me and was at times quite touching. It is indeed all about the journey and the vision, and I am grateful that our journeys crossed this afternoon.

I will be in touch for a climbing date.

Steve.
